

All Saints' Episcopal Day School

Second Grade Program Overview

Welcome to All Saints' Episcopal Day School

At All Saints', we provide a nurturing, faith-based education where academic growth, spiritual development, and character are equally valued. Rooted in the Judeo-Christian tradition through the Anglican faith, our mission is to help each child reach their highest potential while fostering compassion, service, and a love for learning. From our youngest learners in 2K through 6th grade, we create a supportive and inclusive community where children grow in knowledge, faith, and friendship.

Curriculum Snapshot

Our 2nd Grade curriculum blends engaging, research-based programs to build strong foundational skills across all core areas:

- **Reading & English Language Arts (McGraw Hill- Open Court)**

A comprehensive curriculum that expands fluency and comprehension with rich texts, strengthens vocabulary and grammar, and introduces structured writing in narrative, informative, and opinion forms.

- **Math (Sadlier-Progress in Mathematics)**

Place value to 1,000, multi-digit addition and subtraction with regrouping, early multiplication and division concepts, and real-world applications in time, money, measurement, geometry, and data.

- **Science (Scott Foresman)**

A rich, inquiry-based science curriculum covering topics such as weather, properties of solids and liquids, push and pull and animals—designed to spark curiosity and hands-on learning.

- **Social Studies (Studies Weekly)**

Interactive, story-based social studies instruction that brings communities, history, and civic themes to life in engaging, elementary-friendly formats.

- **Handwriting (Zaner-Bloser)**

Time-tested handwriting instruction, teaching efficiency, legibility, and automaticity, while combining hands-on learning materials with robust digital support

The Life of a Second Grader

Life in 2nd Grade at All Saints' is filled with growth, discovery, and special traditions. Each day begins with a **Morning Meeting** to foster community, followed by **Chapel twice a week** and a **Friday Spirit Assembly**, which celebrates the school community together.

The school day is centered on **core subjects**, including reading, writing, math, science, and social studies. Each lesson begins with whole-group instruction and is followed by guided and independent practice, which may take the form of small-group work or individual activities.

Students enjoy a well-rounded education through special area classes each week, including **Art, Library, Music, STEM, Technology, PE, and Spanish**. They also participate in the **Accelerated Reader (AR) program**, encouraging independent reading and goal setting.

To track progress, students complete formal reading, math, and writing **assessments** three times a year, along with CogAT and Iowa standardized testing each spring. Every student uses a **Chromebook** to support digital literacy and classroom learning.

A highlight of the year is “**Scientist of the Week**”, where students proudly conduct a science experiment of their choice in front of the class, building confidence and presentation skills.
