

All Saints' Episcopal Day School

Fourth Grade Program Overview

Welcome to All Saints' Episcopal Day School

At All Saints', we provide a nurturing, faith-based education where academic growth, spiritual development, and character are equally valued. Rooted in the Judeo-Christian tradition through the Anglican faith, our mission is to help each child reach their highest potential while fostering compassion, service, and a love for learning. From our youngest learners in 2K through 6th grade, we create a supportive and inclusive community where children grow in knowledge, faith, and friendship.

Curriculum Snapshot

- **Reading & English Language Arts (McGraw Hill- Open Court)**

Strengthens comprehension with longer, complex texts and emphasizes analyzing main ideas, text structure, and author's purpose, alongside vocabulary, grammar, spelling, and multi-paragraph writing.

- **Math (Sadlier-Progress in Mathematics)**

Builds fluency in multiplication and division, deepens understanding of fractions and decimals, and introduces geometric concepts, measurement, and data interpretation.

- **Science (Scott Foresman)**

A rich, inquiry-based science curriculum covering topics such as weather and climate, stars and solar system, light and sound, and organisms—designed to spark curiosity and hands-on learning.

- **Social Studies (Studies Weekly)**

Interactive, story-based social studies instruction that brings communities, history, and civic themes to life in engaging, elementary-friendly formats.

The Life of a Fourth Grader

Life in 4th Grade at All Saints' is filled with growth, discovery, and special traditions. Each day begins with a **Morning Meeting** to foster community, followed by **Chapel twice a week** and a **Friday Spirit Assembly**, which celebrates the school community together.

The school day is centered on **core subjects**, including reading, writing, math, science, and social studies. Each lesson begins with whole-group instruction and is followed by guided and independent practice, which may take the form of small-group work or individual activities.

Students enjoy a well-rounded education through special area classes each week, including **Art, Library, Music, STEM, Technology, PE, Religion, and Spanish**. They also participate in the **Accelerated Reader (AR) program**, encouraging independent reading and goal setting.

To track progress, students complete formal reading, math, and writing **assessments** three times a year, along with CogAT and Iowa standardized testing each spring. Every student uses a **Chromebook** to support digital literacy and classroom learning.

A highlight is the “**US Program**”, where students research a person important in history, culminating in a production performed by the 4th-grade students.

Special Traditions & Events

Students joyfully participate in school-wide traditions while beginning to explore grade-level events that build community, confidence, and lasting memories.

- Wood Magic at SeeWee
- Halloween Parade
- Trip to the Florence Symphony
- Holiday Program
- 100th Day of School Celebration
- Grandparents’ and Special Friends Day
